Subject: RE: PWT responses to CALFED water quality RFP

Date: Thu, 17 Apr 97 19:53:49 EDT

Chris, thanks for your help so far and if you get additional information and summarize it early next week, that's ok with me. Chris and Rick, would both of you be available to sit down on weds or thurs next week to figure out where we go from here? It would really help me. I'm open both days right now. Thanks  
Cindy
